**NOTICE TO CUSTOMERS
(Notice 02 of 2017)**

DISPARITY OF COMPANY REGISTRATION AND INCORPORATION NUMBERS

Dear Customers

You may find that the registration number of your application submitted last year is 2016 and the incorporation date (or registration date) is 2017. This is due to the automation of CIPC's system. CIPC assigns the year of registration as the year within which the application was received, while the incorporation date is the actual date that the company was registered.

Yours sincerely
